# Linking your dreams

**to the future through technologies. We are Lintec.**

Reflected in our company name, Lintec—formed from “linkage” and “technology”—our entire workforce is strongly committed to linking people with technologies to create innovative, high-value-added products and solutions.

As the leading company in the fields of pressure-sensitive adhesive products and specialty papers, Lintec Corporation has developed and launched a vast range of new products. Going forward, we will continue to create products and technologies our customers have never seen before by advancing and linking the original core technologies that we have cultivated over many years of research. In this way, we will enable our customers to turn their *dreams* into reality. Further, in addition to expanding operations our goal is to implement thorough CSR-based management to further develop as a company that is highly regarded and trusted by all of its stakeholders.
